

Intended Use

- A sanding fluid to perform wet sanding operations.
- For use with wet sandpapers and König Micro Sanding Papers.
- To remove sanding and polishing agents (polishing pastes).
- Ideal for sanding polyester surfaces.
- To clean high-gloss surfaces.

Characteristics

- Free from aromatic substances.
- Contains solvents.

Application Notes

Apply Sanding Liquid directly to the surface or rather to the sandpaper/Micro Sanding Paper and sand surface using light pressure. Make sure to use sufficient Sanding Liquid to avoid discolouring of the surface due to heat development during sanding (dry sanding).

Physical Properties and Shelf Life

- Colour:** transparent clear.
Shelf life: unlimited
(stored upright at room temperature, in unopened original container)

Safety Precautions

Please refer to label and material safety data sheet.

Disposal

- Do not allow product to enter drains or watercourses.
- Dispose of containers with the normal household waste only when completely empty or dried out.
- Leftover material to be disposed of in accordance with EWC 140603 (other solvents and solvent mixtures).

Packaging

On request.
